## How to send us your music

We will analyze the mix and you will inform of any isssue.

Please send us the music info@eternal-midnight.com using wetransfer.com others and adding your details ( name, mail, phone, facebook profile) and if is for vinyl +digital or just digital distribution.

Send EAV/Aiff files. Please avoid FX like limiters, compressors or other at master channel, try to send mixes with good dynamics and to the same resolution and SR as you work, for example 24 bits 48kHz, and peak at some point (more or less) between -6 and -3dBFS.

## Delivery Times:

Normally Delivery times for the mastered files varies depending to time of year but usually it takes around two weeks from you delivery the tracks and book the mastering session. Anyway if you feel in hurry can always prebook the mastering session just geting in touch witch us.

When there is a limited budget avaible, please let us know and we´ll try to mastering to special rates...we always look after you, we live of the music but we live for the music.
